

WHAT DO WE DO?

- 🚑 NHS-Approved Accident Repair and Vehicle Construction Specialists.
- 🚑 Supply over 500 parts to Front Line and PTS Ambulance fleets throughout the UK.
- 🚑 All our body panels are produced using the latest CAD, CNC Hydro and Laser cutting techniques.
- 🚑 Cover Fiat Ducato, Mercedes Sprinter (MacNeillie and UV Modular), Renault FB, MK1 and MK2, Peugeot, Citroen.
- 🚑 Manufacture our own range of AP Access 100 Wedge-Shaped Access Ramps, with Floor Pans and High-Spec Drive-Gear.
- 🚑 Our AP Access 100 ramps are a direct replacement for the fibreglass 'Lateral' ramps with little or no floor-pan alteration.
- 🚑 Service cover via our own vehicles covering the North West region as well as offering UK-wide service via Service Agents.
- 🚑 Understand the need for vehicles to be turned round quickly in order to reduce 'Down Time.'

Based In Longridge Preston, Ambulance Parts Ltd was founded in 2009 as a joint project between NHS vehicle repair specialists, THG North West Ltd of Longridge, and vehicle coachbuilding specialists, Van Bodies Lancs Ltd of Morecambe, together bringing almost 80 years of experience to the vehicle construction and repair industry.

We are NHS-Approved Accident Repair and Vehicle Construction Specialists, backed up by over 500 off-the-shelf spare parts.

We supply to Front Line and PTS Ambulance fleets throughout the UK serving the North West and North Wales Ambulance Services, British Red Cross, St. John Ambulance and Falck UK to name but a few.
